Incident Details

Where are the damages to the rental located? (ex. driver-side front fender – large dent, scratches)
Please see vehicle incident report filed on 7th November 24. Damage located down left hand side of the vehicle on the driver's side. Large dent on front left side and large scratch running down left hand side of the vehicle.

Where are the damages located on the claimant/other vehicle? Front left and side left of vehicle

Were there any passengers in the rental (if so, how many)? Yes one passenger, namely myself. My brother Andrew Hopkins was driving at time of the incident.

Please provide any witness information you have. If you would like to provide information of more than 2 witnesses, please do so at the bottom of this form, under "Additional Information".

Witness 1

Name: richard hopkins (passenger and renter)
Phone: 00 44 7377 322298
Address: 33/2 Howe Street, Edinburgh, EH3 6TF
Email: Richardhopkinsuk@gmail.com
Additional Information:

Witness 2

Name: Phone: Address:
Email: Additional Information:

Were you injured in the accident? If yes, please describe your injuries. No, I was not injured

Was the claimant/driver of the other vehicle injured? No, the driver of other vehicle was not injured

Please provide any information you may have on other injured parties: see incident report

Did the police come to the scene? no

If so, which police agency/department? not applicable

Was a report filed? no. We phoned the dollar rental customer services number when the driver of the other vehicle was with us at the side of the road to make sure that we could provide all the necessary information.

Police Report Number: not applicable

Where did this accident occur at? (ex. City, state – street name and intersecting street) Outside of Marfa, Texas on the I10 freeway. See vehicle incident report

Which road were you traveling on? In what direction (ex. North, south, east, or west)? Please see vehicle incident report. I believe it was the I10 between Marfa and El Paso

How many lanes were there? two lanes

Which lane were you in? right lane heading north towards El Paso

Which lane was the claimant in? left lane heading south to Marfa

Please describe what happened in your own words: my brother was driving on the right hand lane doing just under the prescribed speed limit when the driver of the other vehicle suddenly swerved over onto our lane forcing my brother to swerve suddenly to our right onto the hard shoulder. The other vehicle clipped the left hand side of our vehicle.

Was the Rental Vehicle drivable? yes

Was the Claimant/Other Vehicle drivable? yes

Do you have any available photos you would like to share (ex. Damages to both vehicles; Driver's Licenses; Insurance cards)? all the photos taken at the time of the accident were filed in the vehicle incident report. I do not have any photos of either of the rental cars on my phone. The link to the incident report no longer works, so I have been unable to retrieve any photos.

Additional Information: the driver of the other vehicle was also driving a rental vehicle. He stopped and returned to the incident site. He also admitted that he had swerved onto our side of the road and he apologised.

Please send this completed statement to Your.Name@esis.com, along with photos you may have relating to this incident.
Thank You.
